At roundabout take first left into Westburn Drive

Continue to next roundabout

Continue to the next roundabout and again, take the FIRST LEFT.

A large blue building will be on your right, followed by Greggs, and then Brenntag.

Cambuslang Community Fire Station is near the end of the road on your right.

SEE PARKING INFORMATION BELOW

NOTE a little further ahead you will see the Scottish Fire and Rescue Training Centre with flags, flying.

Don't go there. We will be meeting in the Fire Station itself.

We must **keep the access road clear** of vehicles to avoid obstructing the fire appliances leaving in response to 999 calls.

★ Parking is here – directly in front of the entrance to the building. This area at the door is not used in the evenings and so you can double park there.

Committee members will direct you to an appropriate parking area.

**Beware of Fire Rescue Vehicles leaving at speed via the road and
be sure to keep their exit route clear.**
